

UNITED STATES SENATOR ★ ILLINOIS  
**RICHARD J. DURBIN**

**Passport Information and Privacy Act Release**

Thank you for your request for assistance. In response to recent delays in passport processing my office has created this form to assist you in obtaining your passport.

Upon return of this form to my office, we can inquire to the Department of State into the status of your application. If you are traveling within two weeks, my office can request a congressional upgrade and Fed-Ex delivery of your passport.

If you are traveling within 48 hours you may appear in at the Chicago Passport Office in person without an appointment. If you choose to appear at the Chicago Passport Office in person please refer to the Department of State's website: [www.travel.state.gov](http://www.travel.state.gov) for information on necessary forms and documentation.

My office is committed to assisting you. Due to the high volume of requests it is impossible to provide daily updates for each inquiry, but please be assured that you will be contacted when necessary.
